Come alive this winter...

# Sierra

Vogue  
HOME HEATING

## Sierra

The Sierra is the perfect fit in any small home.

Its focus is on warmth and intimacy - a cosy companion anywhere from the living room, study or parents retreat.

### The Benefits:

- Rugged steel construction
- Large viewing glass
- Low emissions
- Environmentally friendly
- Ease of installation in new and existing homes
- Simplicity and safety in design (full convection)
- Touch safe
